Pelzer put a gun to my head. Everyone on the tier sow officer Djett assault me on the tier, and the comera saw (caught) the assault inside of my cell because a camera is directly infrant of my cell on the cieling! Gloo, the tower comeras, aswell as lobby cameras caught the assault (me being slammed to the ground and repeatedly sprayer afterwards and once before i was slammed to the ground by afficer Andrews), because the lobby camera is directly infront of the lobby entrance door which catch all activity on the yard infront of the dorm, and the tower comera catch all actibity on the pard(s) on the entire prison grounds. Therefore, these comeras would clearly show 5d. Pelzer turning the flashlight and putting the weapon (gun) to my head before these other two officers rescued me and escorted me to the HCU.

I Provald Water 233803 is in segregation at himeotone Correctional facility! I answered these questions to the best of my ability! I didn't understand C & D II Basis for Jurisdiction on page 4 of 14 aswell as what exactly Individual Capacity or Official Capacity mean. Therefore, i didn't check the boxes. I'm being deprived the right to law books to lookup the different cases that this 1983 amended Complaint" refferred me to! I did the best that i could to fillout the forms properly, and to the best of my ability.
